**Dear Members of the Burwood East Primary School Community,**

**Mothers' Day**

A special thank you to the members of the PFA for organising the Mother's Day stalls. The children enjoyed the wonderful array of gifts that the PFA selected and there was much excitement as the children visited the stalls.

On behalf of the school community, best wishes to all mothers at Burwood East PS. Have a wonderful day with your family this coming Sunday and I hope that you enjoy the gifts you will receive from the children. Girls and boys don't forget to give Mum an extra big hug on Sunday morning and make sure she is suitably spoiled.

**Parents must sign in**

It is a Department of Education & Training requirement that all visitors MUST sign in at the office before seeing teachers or students during school hours. This ensures the safety of our children as well as identifying people in the yard during breaks.

**We want our students to tell us what they think!**

We value student voice as a means to improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what your child thinks of our school. The Attitudes to School Survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience. Students from Burwood East Primary School, Year 4 to 6 will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any point before, during, or after completion of the survey.

Your child will be provided with a unique login to complete the survey. The student login is an assigned identifier that may be used to link data for statistical and research purposes only. All responses to the survey are kept anonymous in the response file. Personal identification data will not be recorded in the survey response file. This ensures that the confidentiality of your child's responses is protected at all times.

This year the Attitudes to School survey will be conducted at our school over the period Monday 30 April to Friday 4<sup>th</sup> June. The survey only takes 20 minutes to complete and occurs during your child's class time. The survey results will be reported back to the school before the end of term 2. All survey data that is made available in reports are for groups of students only so that no individual student can be identified. Data suppression rules are used for schools with low student numbers per year level.

Results will be communicated to School Council, then to the community through our fortnightly newsletter.

If you would like more information, please speak to your child's teacher or visit:

<http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyat.aspx>

**Education Week:**

This year Education Week will be held from May 21st until May 25th. The theme is, "The Arts – inspiring students to participate in music, dance, drama, visual arts and media arts". Keep Wednesday May 23rd free, as we will be having an 'Open Evening' from 5.30 – 7.30 p.m.

## DET Law and Order

Principals have been asked to remind their school community that:

- Student Accident Insurance

The Department does not provide personal accident insurance or ambulance cover for students. Parents and guardians of students who do not have private cover are responsible for paying the cost of medical treatment for students, including the cost of ambulance attendance or transport.

- Personal Property brought to school

Private property brought to the school by students is not insured and the Department does not accept any responsibility for any loss or damage. This includes mobile phones and other devices, toys and sporting equipment.

### ***“Every Day Counts”***

The new Department of Education and Training (DET) initiative, ***“Every Day Counts”***. In essence, the initiative involves three key aspects:

1. The importance of children attending school every day
2. Ensuring our school is notified of all absences (in advance or on the day) and
3. If our school is not advised, then we must contact families.

As adults we are very cognisant of the importance of attending school every day and also arriving on time. The research is very clear, the more a child misses school, the greater the gap between their peers hence the importance of minimising absences.

### **SAME-DAY NOTIFICATION OF UNEXPLAINED STUDENT ABSENCES**

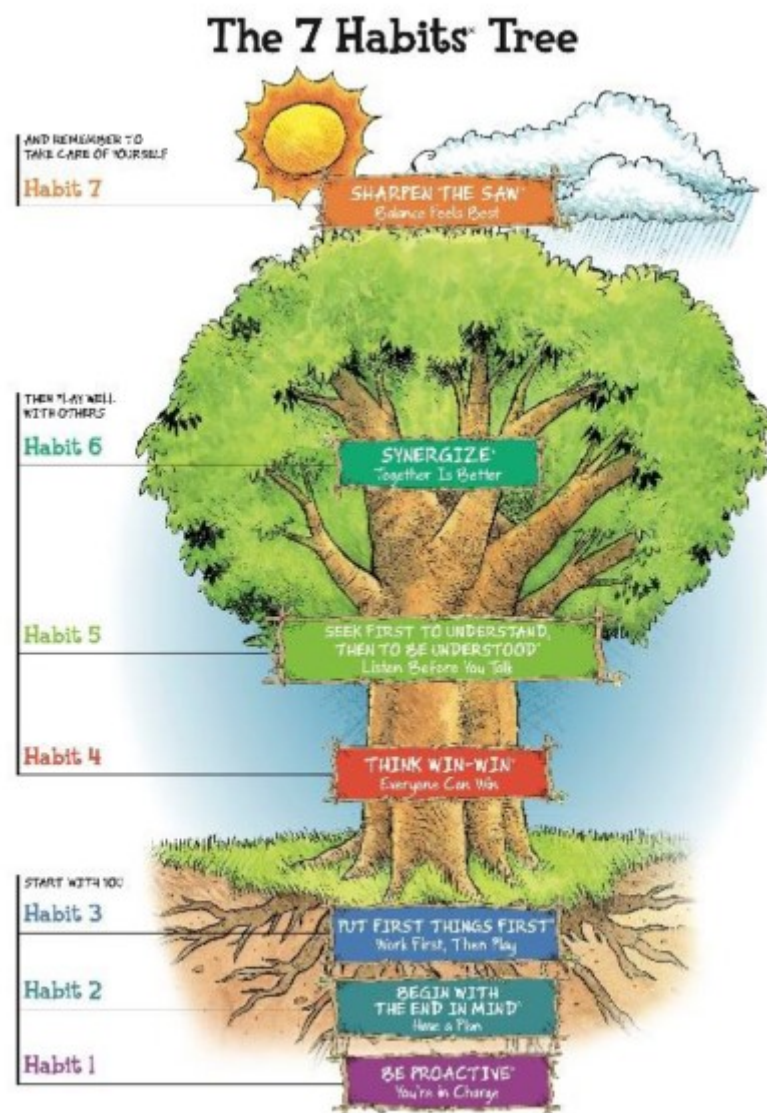

If your child is sick or absent, you are required to notify the school as soon as possible **on the day of absence**, by **entering the absence on Compass**. Notifying the school of your child's absence, either prior to, or on the day that they will be away, helps ensure the safety and wellbeing of children and will fulfil your legal responsibility. Parents/carers are required to ensure their child attends school every day and have an obligation to contact the school to notify the school of their child's absence. Parents/carers should inform the school in advance of known upcoming absences, or on the day of absence as soon as practicable. In addition, in order to implement this requirement, it is essential that parent/carers provide schools with their most up-to-date contact details. From the end of Term 2 2018, all Victorian government schools are required to contact parents/carers as soon as practicable on the same day of an unexplained student absence. If your child is absent on a particular day and you have not contacted the school to explain why, the absence will be marked as unexplained. This system also promotes daily school attendance. Going to school every day is the single most important part of your child's education, they learn new things every day – missing school puts them behind. Our school will send you an SMS through Compass (Term 3), as soon as practicable, on the day if a student is not at school and you haven't notified the school as to why. If you are notified by the school that your child is away without a reason, please notify us as soon as possible by entering the reason on Compass or phoning to advise and we will assist with you recording the absence on Compass. If we cannot reach you because we don't have your correct contact details (i.e.: message notification fail, disconnected number), then we will make contact with any emergency contact/s nominated on your child's file held by the school, where possible, on the same day of the unexplained absence. Please remember it is your responsibility to contact us to provide an explanation for your child's absence from school, and where possible, please inform us in advance of upcoming absences.

## Our Habits

Every Monday morning after our school assembly all students engage in classroom activities and discussion on the 'Leader In Me'. This whole school approach supports our students understanding of the 7 key habits and how they can apply it to their learning and daily activity.

### At BEPS we teach:

- Be Proactive (I'm in charge)
- Begin with the End in Mind (have a plan)
- Put First Things First (work first then play)
- Think Win-Win (everyone can win)
- Seek First to Understand Then to Be Understood (listen before you talk)
- Synergise (together is better)
- Sharpen the Saw (balance feels best)

Yours in Partnership,

Darren McDonald

Principal

## Principal Learning Awards

As Principal, I believe it is very important I acknowledge the wonderful work our students produce in all areas of the curriculum, therefore students are encouraged to visit me in my office (classroom) to showcase their achievements.

Isabelle for her creative maths work and Hiruka for supporting Isabelle.

Avani, Claire, Jason and Theo for their writing.

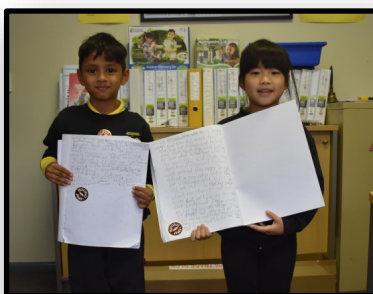

Ananya, John and Winnie for demonstrating their understanding of Mathematics equations.

Abby, Coco and Ellie for explaining their Visual Arts project.

Alena, Christina, Jett, Dinuki, Emily and Victor for explaining words and phrases in Mandarin.

Elena, Arwa, Ella, Martin and Jacob for explaining words and phrases in Mandarin.

Abhishaey and Gracelynn for very good narrative writing.

## Principal Learning Award—Term 1 2018

As a school community it is very important that we acknowledge and celebrate the wonderful achievements of our staff, parents and students. One way of accomplishing this is by participating in award ceremonies throughout the year and also at the end of each term. Our end of term 'Principal Learning Award' is chosen by classroom and specialist teachers to acknowledge student achievement and promote character development, self-esteem, and perseverance. Congratulations to the following student who received the Principal Learning Award for Term One 2018:

## Assistant Principal's Report

Hi everyone,

We are now well into Term 2 with many events occurring across the school in the next few weeks. I wanted to start off by thanking the parents who came to the Compass session on Monday night. It has been pleasing to see many of our parents make a smooth transition to using Compass for payments for events this term. Just a reminder to parents that Flexibuzz is no longer in use and Compass is the one mode of communication that the school uses with families. Also, a reminder to parents to regularly check their Compass account specially to ensure that they are paying and consenting for events. Again, if there are any issues please see the office or myself.

In the classrooms, there have been many great events occurring. We have had incursions for our Year 5&6 students learning more about design and technology through Billycarts and our year 3&4 students learning about sustainable food practices in our school garden. On Friday, we have the first of our several 'Craftpower' incursions where our Foundation to Year 2 students are learning about how forces help objects to move. Thank you to the large number of families that are supporting these events by volunteering their time to support the students in our school. These incursions allow students to learn practical skills that they can apply to their own inquiry investigations throughout the rest of the term. Our BEPS communities program is also up and running on Monday afternoons with students all participating in a wide range of activities. Thank you to Rachel and Martine for their organisation and dedication to the program.

This week we also completed the first of many ICAS tests that are occurring over the next few months. Around 60 students from Years 3-6 sat the Digital Technologies test which focused on design, coding skills and eSmart behaviours and decision making. Unfortunately, we did have some students unaware that they were sitting the test until the last minute. I ask that parents discuss this with children ahead of time to give them the best opportunity of achieving success.

This also brings me onto the NAPLAN assessments, which our Year 3 and 5 students will sit next week. These assessments allow schools to reflect on the impact that teaching and learning programs have on cohorts of students and supports schools in continuing to improve those programs. For many students, this can be a highly anxious and stressful time, so it is important that we provide them with encouragement and support. We remind parents that these tests are just a snapshot of students learning on the particular day and that ongoing communication with their child's teachers will provide them with more specific and detailed feedback about a child's progress.

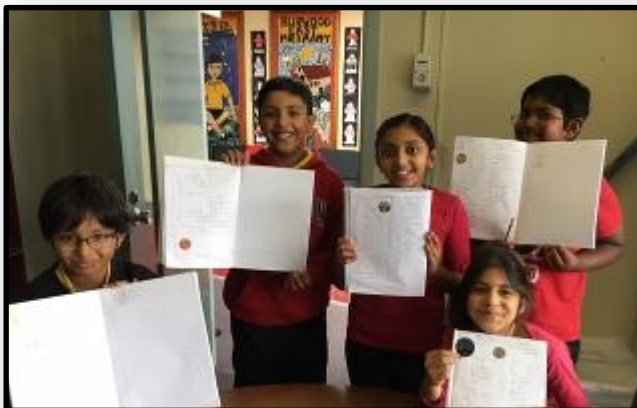

Last newsletter I mentioned to parents that there have been issues with parking and parents being booked for illegally parking or stopping at the front of the school in particular on Highbury Road. Again, this week I have seen many parents stop either in front of the school gates or in the bus bay. This is not only illegal but also puts our student's safety at risk. I encourage parents to use the drop off zone on Blackburn Road or park in the designated areas on Highbury Road or Blackburn Roads. Both Darren and myself have been in ongoing discussions with VicRoads and Whitehorse council about improving the traffic management around the school and I look forward to providing our families with an update in the future.

Finally, I would like to thank our Parent's association for their work and organisation this week in coordinating the Mother's day stall. It has been pleasing to hear that numbers in the association continue to grow and there are many wonderful activities planned for the rest of the year.

Many thanks,

Andrew Den Elzen

## Assistant Principal's Awards

Aadi, Omar, Farabi, Anahita, Hruthi - 4M for outstanding effort in calculating the area of 2D shapes

James and Michael 6S for their excellent work in researching and producing work relating to Pablo Picasso

Brian and Stella 2R for their detailed explanation of how magnets work

# Breakfast Club

Breakfast Club happens every Friday morning in the Hall, from 8.25am. Food Bank have kindly donated cereals, milk, fruit and baked beans, to ensure that the students are well fed and have the opportunity to socialise over breakfast. Our Parents and Friends Association also donate their time and food to support the running of our program.

Thanks to Gill Moon, Louise Godden and Matt Rosso who volunteer each week with organisation, set-up, cooking and pack-up.

On Friday 27 April, Neil Angus, our State Member of Parliament for Forest Hill, volunteered to assist us with the preparation and serving of our breakfast. Thanks Neil!

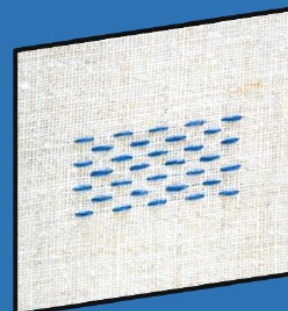

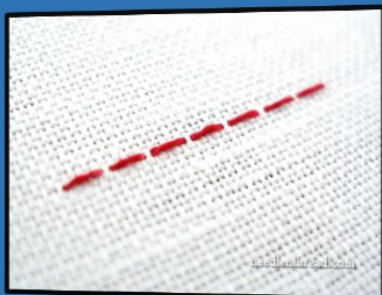

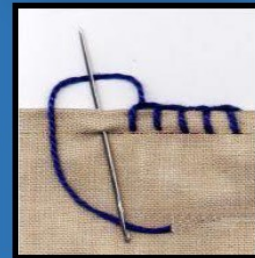

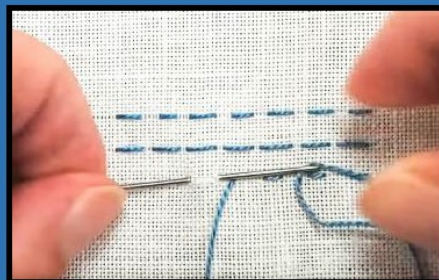

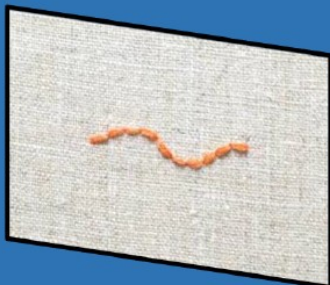

The program relies on parent assistance for it to run smoothly. We appreciate those parents who have supported us over the last year. If you are able to assist, please see the Office to receive more information on how to volunteer.

Karen, Josh and Margaret

## Expert Art Group

This term, students have been introduced to Embroidery. Embroidery is the craft of decorating fabric or other materials using a needle to apply thread or yarn. Embroidery may also incorporate other materials such as pearls, beads, quills, and sequins.

# AFL SEDA Clinic

On Friday 20<sup>th</sup> of April, all BEPS students participated in an AFL Clinic, organised by AFL SEDA students.

Students had a lot of fun working on their football skills, such as handballing, kicking, and marking.

It was great to see so many students involved and enjoying our national sport.

# The Leader in Me

The Leader in Me is a program where we teach children about their own potential leadership abilities. They learn about the seven habits of successful people;

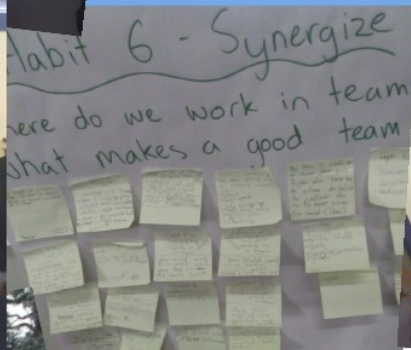

- Habit 1: Be Proactive (You're in Charge)
- Habit 2: Begin With the End in Mind (Have a Plan)
- Habit 3: Put First Things First (Work First, Then Play)
- Habit 4: Think Win-Win (Everyone Can Win)
- Habit 5: Seek First to Understand, Then to Be Understood  
(Listen Before You Talk)
- Habit 6: Synergize (Together Is Better)
- Habit 7: Sharpen the Saw (Balance Feels Best)

The students work through different activities related to each of these habits to help them learn to lead.

**This term our focus is SYNERGISE**

Images showing different ways we work together when we synergise.

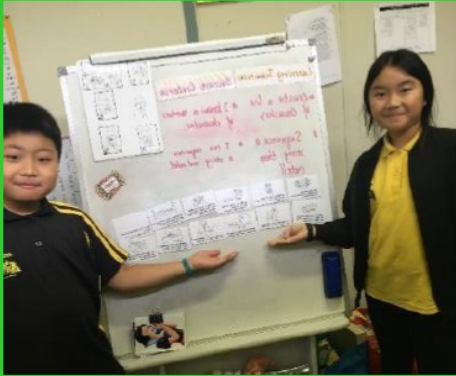

What do you need to do to be a team player?  
 Helping eachother (Sean)  
 Talking to eachother (Gemma)  
 Encouraging (Rorye)  
 Always listen to others (Sam)  
 Be need to be fair (Gemma)  
 Treat others the way you would want to be treated (Anna)

## ***EAL***

### ***Learning through Stories and Games***

**At the beginning of term 2, EAL students enjoyed learning phonics, tenses as well as understanding and creating narratives. EAL students have built confidence when it comes to writing by building oral language in telling and retelling stories.**

**Sunny and Suki  
ordering and  
retelling  
“Goldilocks and  
Three Bears”**

**Hao Cheng is adding descriptions  
to the picture story “Sunshine”**

**Kevin, Nicholas and Maxwell built  
phonic walls by picking up rhyming  
sounds after reading “Snore”**

**Victor and Emily read the story  
“Please Don't Talk to the Bus  
Driver” and recognised  
adjectives used to describe  
transport.**

## RUN TO RED!

On Wednesday the 2<sup>nd</sup> of May, students at Burwood East Primary School supported the fundraiser 'Run to Red'. The fundraiser was initiated by Royce in 3C and supported by the JSC.

In total we raised \$440 for charity and we were pleased to see how many students participated.

# RECYCLED PAPER CRAFT

IN THIS JUNIOR BEPS COMMUNITIES ACTIVITY, STUDENTS LEARN ABOUT THE IMPORTANCE OF SUSTAINABILITY AND RECYCLING. THEY START BY TEARING PRE-USED PAPER INTO TINY PIECES, SOAKING IT IN WATER FOR A NUMBER OF DAYS AND THEN TURNING IT ALL INTO A MUSHY PULP USING THEIR HANDS AND OLD ROTARY EGG BEATERS. USING A DECKLE AND MOULD EACH STUDENT FORMS THEIR OWN 'NEW' PIECE OF PAPER THAT, ONCE DRIED, CAN BE USED FOR A VARIETY OF DIFFERENT CRAFT PROJECTS.

# Jump Rope for Heart at BEPS

The Jump Rope for Heart program, organised by the Heart Foundation, is underway in Physical Education.

Students are beginning their Physical Education lessons with skipping (single and double ropes, tricks, and music) to keep students healthy, while raising funds to help fight heart disease.

The focus for junior levels is to introduce skipping through practical lessons and videos, while trying something new and having fun.

While the senior levels are focusing on the positive effect of skipping for their bodies and health, learning tricks, and fundraising for the Heart Foundation.

**Congratulations to the students who have already registered online and started their fundraising.**

In Physical Education, Week 10 and 11 will be dedicated to purely skipping for all year levels. We will have music, skipping games, skip offs, and much more.

Join Beth on Thursday  
Lunch times to SKIP  
your heart away.

# Year 5/6 Design Technology Forces Motion Incursion

On May 2<sup>nd</sup>, students from Year 5 & 6 learnt different processes of building including designing, becoming familiar with and using a range of tools, working in teams to put together a billy cart using various pieces of timber and of course, the famous billy cart driving!

## Workstation #1

Design a Billy Kart that you could make if you had all the money in the world.

## Workstation #2

Build anything with the materials present. We used wrenches, nuts, bolts, washers and various materials.

## Workstation #3

Build a Billy Kart from scratch.

## Workstation #4

Ride your Billy Karts around a course, practising steering.

This complemented our inquiry investigation topic and will support our students in understanding the processes and requirements as outlined in the Design curriculum and their final project for this topic.

## BEPS SCHOOL CHOIR 2018

Our BEPS school choir consists of students from Foundation right through to Year 6 and everyone is welcome. The students really enjoy rehearsing every Tuesday at recess, where they learn singing games, simple vocal techniques and lots of cool songs and actions. They love performing and entertaining their audience!

### WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 18 MAY 2018

Well it's that time of year again when our school seriously starts talking about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 18 May 2018!

What is GATEWAYS?

G.A.T.E.WAYS runs a range of programs which parents of gifted and highly able children can enrol in directly. These programs include: Brainwaves Club, Holiday Club, Festivals and Leadership.

Why GATEWAYS?

G.A.T.E.WAYS aims to cater for children who are in the highly able to gifted range. This approximates the top 10 – 15% of children in the classroom. Programs are delivered at a faster pace than in the regular classroom, and are pitched around two years ahead of chronological age.

What does Burwood East Primary School offer?

At Burwood East, GATEWAYS offers two programs that run through the school terms.

When attending a day-long Eureka program, children participate in three hands-on workshops based on a theme. Each term the theme changes to focus on a different curriculum area. Previous themes have included '*Curious Science*,' '*You Can Count On Maths*,' '*History Matters*,' '*What Nonsense*,' '*Secret Maths*,' and '*Grossology*.'

Journeys are extended programs for highly able children. They attend once a week for four half days and explore a topic in depth. Subject matter is wide-ranging and is often in areas not always taught in the primary school curriculum. Participants as young as six can become detectives solving hypothetical mysteries, work as archaeologists on a 'dig', explore the wonders of the universe, the mathematics of infinity, the world of the brothers Grimm or Gothic literature, or take part in a philosophical 'community of inquiry'. The possibilities are unlimited.

For more information, regarding dates and locations please see Angela Fattore.

### **Computer Programming Club**

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting Computer Programming club running at the school.

The aim of the club is to provide students with exposure to the fundamentals of computer science concepts. Run by external consultants from Digimaker, this program will:

- Build games, animations, stories utilizing pupil's creative thinking
- Develop logical thinking and problem-solving skills
- Express ideas & boost confidence working in a collaborative environment
- Enable the grasp of computational thinking which combines math and logic

For details on the course, visit <http://www.digimaker.com.au/courses/>

The club will run for 7 to 10 weeks each term (depending on the length of the term) and is charged on a per-term basis. Students work on school laptop during the session.

Program for Term 2 is as follows:

Term 2 :	Every Monday, 16 <sup>th</sup> Apr to 25 <sup>th</sup> Jun (10 weeks – 11 <sup>th</sup> Jun Public Holiday)
Time :	1:45pm – 2:30pm

## Philosophy for Young Minds Burwood East Primary School

The unit entitled Philosophy for Young Minds is a new one for WiseOnes. Well known stories are presented to the students. Good judgement, environment ethics, sharing happiness and learning about empathy with others will be developed. During the 8 weeks of the unit, huge amounts of general knowledge and skills of the Circle of Inquiry discussion will be learned. An excellent unit for both girls and boys.

### BEPS Parents and Friends Association (PFA)

BEPS has a great community and one reason is due to all the families who contribute to our events and the PFA that organise them. We are a group of parents who work together to help produce fun events for the school and to fundraise for our children's school environment. Previous fundraising has purchased the blue Astroturf, new computers and shade sails. This year our goal is to purchase new shade sails for the senior playground. It is also a great way to meet new parents and get involved with your children's school experience.

Every Friday we have school Breakfast Club. We are looking for volunteers (no experience necessary) to help serve food to the kids. In addition to breakfast, we meet once a month to plan events and fundraisers at the school. This year we already have a few things planned and we are looking for helpers to join us.

**Breakfast Club every Friday Morning (Helpers start at 8am, breakfast starts at 8:20am)**

#### Term 1:

Meal Deal	Bunnings BBQ at Box Hill Bunnings 4 <sup>th</sup> March
Family Fun Night	Hot cross bun drive

#### Term 2:

QUALITY IN EVERY STITCH

Dear Parents,

Welcome · It's an exciting chapter in your child's life! We provide our delicious lunch order service to the families at your school.

#### Our Food + Menu

- Fresh, delicious and nutritious 3-course hot or cold set Meal Deal
- Your child can choose the food they love and create their own Super Saver Meal Deal
- Food is made in our kitchen by our school lunch catering team – passionate + extensively trained staff
- You choose how much you spend – \$2.50 to \$15.00 and everything in between
- There is no minimum spend
- It's very easy, convenient and flexible

#### What you need to do:

You will need to set up your account using our online service. This must be done before you can order your child's lunch. We use FlexiSchools. Follow these steps to set up your account:

1. Go to [www.misspeppercorn.com.au/school](http://www.misspeppercorn.com.au/school)
2. Click on "Click here to register" to create your account
3. Top-up your balance
4. Start ordering

#### What payment methods can I use?

FlexiSchools accepts payment via Visa, Mastercard, Paypal and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click 'Top up Account' when logged into the FlexiSchools website and select 'Bank Transfer'; you will be given your unique EFT code. You can then make a transfer via your bank's internet facility or at your branch (FlexiSchools charge a fee of 29 c to process each order)

We look forward to meeting + providing your children with their

lunch when we are at your school. From the team at Miss Peppercorn

#### What you need to know:

Each time you order you can select our 'allergy alert' option which will print on your child's label and advise our kitchen of the relevant allergy

You can log into the website at any time to place orders, up until 9.00am on the day of the order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum.

Cancellations are only possible until 9.30am on the day, after this time your child's order will be processed. Please call us on 9877 5183 to cancel an order – please do not email us.

If we make a mistake and are notified within 24 hours, we will refund your child's entire lunch.

At lunch time, we take the orders to your school and collate them ready for collection.

**If you have any problems or would like assistance please call: Flexi Schools**
