Dear Members of the Burwood East Primary School Community,

Host Families Required

Our sister school in China is visiting BEPS from Saturday 21/7 afternoon at approximately 3:30pm, and will be leaving school on Friday 27/7 at 9:30am (6 girls and 6 boys in Year 5) . This is a wonderful opportunity to develop a meaningful partnership with children from another country as well as providing real opportunities to engage and share our languages.

I require host families for 12 students. If you are able to billet one or two Year 5 students, please contact me at school. Doing so would be a wonderful experience for the visiting child and host family alike.

Daily Itinerary After Arriving at BEPS

Day 4	Saturday 21/07	AM: Melbourne City Tour: Federation Square, Arts Centre, National Gallery of Victoria, St Patrick Cathedral, Fitzroy Gardens, Captain Cook Cottage, etc. PM: Group transfer to sister school (Time to be announced) Meet hosts and go home with hosts	School Homestay
Day 5	Sunday 22/07	Weekend activities with host families	Homestay
Day 6	Monday 23/07	AM: School Welcome and class integration activities PM: Language learning and class integration activities	Homestay
Day 7	Tuesday 24/07	AM: School- Reception at Government House PM: Class integration activities	Homestay
Day 8	Wednesday 25/07	AM: Language learning and class integration activities PM: Class integration activities	Homestay
Day 9	Thursday 26/07	AM: Class integration activities PM: School farewell activities	Homestay
Day 10	Friday 27/07	AM: Group depart sister school Visit Dandenong Ranges and Puffing Billy PM: Visit an Australian homestead farm and wildlife park	Hotel in Melbourne

Education Week

This week every State school in Victoria celebrates Education Week. Going to school to learn is a basic right for all children and it is something that we take for granted, however, 120 million children in the world do not go to school because they either live in a country where there is no school or it is unsafe to go to school. We can celebrate that not only do we have a school for the children in our community, but also that it is a truly vibrant place where everyone comes to learn.

The special theme for this year is 'Celebrating the Arts' which reflects the education state target of 'Learning for Life', which aims to improve learning outcomes for every child, in every classroom, in every community to provide the best chance of success in work, and in life.

On Monday, all of the classes were involved in various learning tasks which linked to this year's theme. It was wonderful to see the vast array of learning opportunities throughout the school and, just as importantly, the manner in which the older students assisted, coached and encouraged the younger students was just priceless!

A special thanks to Sam Howden for her leadership in organising the week and all our staff for their continued support. Thanks also to our wonderful students for their performances and participation, and to all of our families who came along to celebrate with us. We are very proud of everything that Burwood East offers for our students. There is certainly a lot to celebrate, we hope you enjoyed it.

Book Fair 2018

Our book fair was a great success this year with many families taking the opportunity to purchase some quality books. It is always an exciting event, and there is no doubt kids love visiting to peruse the books on offer.

On behalf of the school, I would like to acknowledge the organisation of the fair by our Library Technician, Nikki, with help from parents and our teaching staff. Thank-you to the many families who supported the event. On a very positive note, sales were excellent, and as a result, we will receive many new books for our school and classroom libraries.

Years 3 and 4

Congratulations to our Year 3 and 5 students and teachers who have now completed their NAPLAN for 2018. The students and teachers have all worked hard – well done.

Active Travel Program

I would like parents at BEPS to encourage their children to use our Active Travel program. Please consider dropping your child off at one of our many Active Travel Routes and allow them to walk a short distance to school. Students who do this, love the opportunity to walk with friends and in this current era of children being transfixed to screens, it is another opportunity to have students exercising whilst socialising on the way to school.

Traffic Warning – All Adults

Last week, I had a discussion with one of the local by-laws officers from Whitehorse Council who informed me that they continue to receive feedback from the local community that members of BEPS continue to disobey parking signs in and around our school. I spoke about the difficulties we have as a school in getting parents to utilise the drop off zone located beside the school hall and our concerns for students whose parents/grandparents continue to walk them through the staff carpark knowing that it is much safer to use the pedestrian gates when entering or exiting the school grounds.

Parents should be aware the by-law officers are enforcing traffic laws and those adults who continue to disobey parking signs or break laws with regard to parking will be issued with parking infringement notices.

Music

On Tuesday, I ventured down to Burwood One to watch our Expert Ukulele group perform. They have been practising together for a number of years and are eager to show the community how far they have come. The group demonstrated the skills they have mastered as they strummed and sang their way through 3 three popular songs.

You may have watched the cult movie the Blues Brothers about Jake and Elwood Blues, two brothers searching for redemption with no money but a briefcase full of soul. One of the classic quotable lines from the movie is 'We're putting the band back together'. Well we have just purchased a new drum kit, two acoustic electric guitars and an electric guitar, so that we can put a school band together and provide further opportunities for many of our talented students in performing arts.

I would like to thank Joy the mother of Louise in Foundation R, who this week donated fish to our aquarium and turtle pond. Many of the students have already commented that the enclosures look absolutely fantastic. Joy has also been providing Maria and myself with her expertise on managing these aquatic environments.

The school community would like to send a **HUGE Thank You** to The Parents and Friends who supported our Education Week Meal Deal yesterday. The food filled our students' tummies and your continued effort continues to develop great community spirit across our school.

Burwood East Primary School students participated in the annual "Coins for Kids Fundraiser ". Over \$385 was raised and will be donated to the ***Lions Childhood Cancer Research Foundation***. A great effort from the school community.

Yours in Partnership,
Darren McDonald
Principal

Principal Learning Awards

As Principal, I believe it is very important that I acknowledge the wonderful work our students produce in all areas of the curriculum, therefore students are encouraged to visit me in my office (classroom) to showcase their achievements.

Ryan, Serena, Bella , Daniel , Sarah and Xinyi for describing the seasons of the year in Mandarin .
Nathan, Saanvi, and Olyvia for their excellent narrative writing.

Yianni, Zac, Aarnav Anidhya and King for their Mandarin writing on the planets.

Ryan, Xinyi, Daniel, and Serena for their excellent Mandarin writing.

Angela, Victor and Emily for their adjective work in EAL class.

Student of the Week Awards

FMS	Jayden, Reyansh
FM	Chloe, Makai

Happy Birthday

Bumi, Lulu, Bradley, Andy, Yoona, Adam, Victoria, Senthan, Ashmita and Katie

Children who have a birthday that falls during the week may wear free dress for that day and for those children whose birthday falls on the weekend they can wear free dress on the Monday.

Assistant Principal's Report

--Hi everyone,

It has been an exciting two weeks at Burwood East Primary School. First of all I wanted to congratulate our Year 3 and 5 students for their efforts with the NAPLAN assessments last week and the Year 3 and 5 teachers for their guidance and support throughout. Parents will receive results from these assessments later in the year but again we stress that these are only one measure of a student's performance from one day, our teachers are able to provide more comprehensive information around student achievement through our reports which go live on Compass on June 22nd as well as our 3 way conferences in the last week of Term 2 (26th and 27th June).

Last week was also an opportunity for myself and Darren to take part in the Riversdale Principal's Network Conference. Over the two days we participated in a number of sessions focusing on Positive Psychology and Building the capacity of staff. Dr Lea Walters spoke about the importance of recognising the strengths in ourselves and our students rather than always trying to focus on areas of weakness. She has also written a book [The Strength Switch](https://www.leawaters.com) which provides practical advice to parents in supporting the development of their child's mental wellbeing (more information can be found at <https://www.leawaters.com>). The second presenter Glen Pearsall went through the process of establishing effective peer coaching within a school. At Burwood East we are fortunate to have a process of Collegiate visits well established amongst the staff. This allows us to recognise the effective qualities within our own staff and use that to develop consistency across the school.

This week has been a wonderful celebration of student learning as part of Education Week. I was fortunate enough to see our Expert Ukelele group perform at Burwood One and was impressed with their confidence and skills. Thank you to Martine who does an excellent job of supporting our musicians at the school. On Wednesday, we had our school Open day. I would say we had well over 100 new families showing an interest in our school throughout the day which is a great reflection on the students, staff and community that we have here at Burwood East Primary School. I also enjoyed seeing many of our older students making their way back to former teachers and classrooms throughout the night.

In the upcoming weeks, there are a number of exciting upgrades to facilities that will be taking place at the school. We are having a new phone system installed across the school which will support our school's safety procedures and provide a more modern and efficient system for our office staff. There are also more building upgrades with our shade sails being upgraded over the next few weeks and our toilet block being refurbished starting in the Term 2 holidays.

Assistant Principal's Report cont.....

Parking

Another issue I have discussed recently with families is the traffic management issues we have on the Highbury Rd side of our school. I am pleased to announce that 'No Parking' signs will be placed on Highbury Road between the Visitor carpark and Worthing Ave (**See photos below**) between the hours of 8-9:15am and 3-4pm on school days. 'No Parking' or 'Kiss & Go Zones' as they are sometimes called mean that you can stop your car and get out to help your kids in and out of the car (and kiss them goodbye – if they let you). However, the driver cannot move more than 3 metres from the car. In most instances this will allow you to help them onto the adjacent footpath, but no further. The Road Rules allow you to stop for up to 2 minutes. It is also noted that cars displaying a current parking permit for people with disabilities may park for up to 5 minutes.

'No Parking' zones work effectively if everyone abides by the time restrictions and moves on. Cars can also shuffle up to the next free space while waiting for their child. This allows cars to enter the drop off zone from the back, rather than attempting to parallel park in front of the school at a busy time. We again encourage all our families to follow the road and parking laws in effect to ensure the safety of our students and the wider community. I'd also like to thank the Whitehorse Council for their support on this issue.

Many thanks,

Andrew Den Elzen

House Cross Country

We have had a busy two weeks with the House Cross Country happening on Friday 11th of May, and the following week the District Cross Country at Jells Park.

A fantastic effort by all the year 3-6 students involved in the Cross Country for braving the weather and being in high spirits. All the teachers were very impressed with how all the students encouraged each other and displayed countless sportsmanship. It was great to see the amount of students dressed in their house colours.

All students should feel very pleased with themselves on their achievements.

Well done to Yellow House for being the overall house winners.

Congratulations to the 47 students who made it into the Burwood East PS Cross Country team for District Cross Country.

Beth Cleary
PE Teacher

District Cross Country

The BEPS Cross Country team had lots of fun competing at Jells Park last Friday afternoon. All students were ready and pumped for their 2km and 3km runs. The BEPS team showed fantastic team spirit, sportsmanship, and presented BEPS with pride.

Congratulations to all the students who ran brilliantly and pushed themselves to their limits.

Good luck to Anneliese, Milly, Nevin, Konstantinos, Liana, and Anidhya who continue on to represent the Sydnal District at the Monash-Waverley Divisions Championships.

Beth Cleary
PE Teacher

Life Saving Victoria Sink or Swim

On Thursday 10th of May, Burwood East students attended a Life Saving Victoria interactive talk.

The students learnt about the importance of never swimming alone, life jackets, looking before you leap, what they can use to rescue a friend, and how to read signs near beaches, rivers and pools.

Some students were lucky enough to dress as a life saver and demonstrate how to save someone in trouble.

Students learnt a lot about how to enjoy the water, but most importantly how to be safe.

Beth Cleary
PE Teacher

2R LEARNING ADVENTURES SO FAR...

We are MATHEMATICIANS!

We explored the relationship between addition and multiplication, using a range of strategies to assist us.

We are AUTHORS!

We learned the structure of a narrative, writing our own story including a complication, series of events and resolution.

We are SCIENTISTS!

We explored how toys work including magnets, push and pull, sink and float, hinges and levers and the spinning force.

We are READERS!

We focussed on the CAFE strategy: Use beginning and ending sounds, to assist us in decoding words.

Expert Ukulele Group

On Tuesday as part of Education week, the Burwood East P.S. Expert Ukulele Group performed at Burwood One Shopping Centre. The group consists of students in Years 4 and 5 who have been playing ukulele for at least 2 years. They really enjoy learning pop songs and performing to an audience. Well done guys!

Craftpower Incursion

Foundation, Year 1 and 2

Term 2 2018

As part of our Inquiry Investigations the Foundation to Year 2 students participated in a woodwork toy incursion run by 'Craftpower'.

Students had the opportunity to explore how toys are made, how they operate and the materials and skills required to make them.

All students used their skills of tracing and hand eye co-ordination to navigate junior saws and hammers. Students successfully built a friction gearbox powered toy car.

Students were delighted with their achievements and enjoyed spending time decorating and racing them with their friends

"I really enjoyed using the hammer" – Thomas

"It was fun because it was my first time using a saw" - Saanvi

"I like that we got to keep the toy we made" – Carmen

"It was fun because it was my first time making a toy" - Stephy

"I enjoyed racing my car" – Dion

WeDo Robotics

Term 2 2018

The WeDo club is a hub of excitement on Monday lunchtimes when talented and enthusiastic Junior School students meet to investigate and build their Lego robots!

Students have focussed on building 'Milo' the Science Rover. Students follow instructions to build the robot, code it and then test their solutions using the LEGO WeDo 'drag and drop' pictorial programming app.

Milo the Science Rover

Milo discovers a plant through his motion sensor

Currently, students are beginning to add Milo's motion sensor. This will allow students to investigate what a motion sensor is, discover its possibilities and then try different scenarios to make Milo perform movements, such as; drive and stop, through the programming of the motion sensor.

What's been happening in Year 5?

Rob Marks – 5R & Daniel Addison – 5D

READING

During our reading sessions we have been reading through the book *Wonder*, by RJ Palacio. As a whole class we have been participating in discussions about the different themes we can relate to. We also like to infer what's happening, character's feelings and their moods in books that we are reading individually. We also discuss how and what to look for in the text to assist in creating a picture or mental image in our minds as we read.

Writing

For writing this term, we have been exploring Narratives. As a class we have discussed the different segments that make up a narrative, on our writing scaffolds. Then we tap into our imaginations and piece together a great narrative.

Maths

In our Math lessons, we have been exploring and identifying the correct operations when converting units into millimetres, centimetres, metres and kilometres. We threw paper planes, measured how far they flew and then converted the distance into millimetres, centimetres and metres. Along with playing various dice and card games as warm-up activities.

Inquiry

In our Inquiry sessions, we have been exploring, planning and designing prototypes of new inventions that will aid and assist the ageing population. We have also been exploring what they need to be made of, and whether it will be suitable for purpose.

Enjoying learning in FMS

MATHS DETECTIVES QUESTION OF THE WEEK

MCDONALDS MCNUGGETS MCMYSTERY

At McDonalds I can buy McNuggets in a 3 pack, 6 pack, 10 pack or 20 pack. If I wanted twelve McNuggets I could by four 3 packs. If I wanted 8 McNuggets I couldn't do it without going over 8 because a 3 pack and a 6 pack equals 9. Therefore, what is the most amount of McNuggets that I can't order at McDonalds?

I will ask this question at Assembly on Monday. The first correct answer wins a small prize.

Daniel Addison
Maths Coordinator

Mandarin at Burwood East Primary School

BEPS offers Mandarin as a second language to all primary students (Foundation to Year 6). The one hour interactive and engaging Chinese sessions include music, movement, drama, calligraphy, arts, crafts and language teaching. Students learn Mandarin through an interactive and fun approach. The students also learn about and celebrate significant Chinese festivals such as Chinese New Year, Mid-autumn festival and The Dragon Boat Festival.

Well done to all the students who have taken up the challenge to participate in the external language competition: Elva, Gina , Jiayi , Kelly , Lawrence , Suki , Sunny , Xinyao , Xinyi , Xizhi and Yoona .

Many of the Mandarin activities are linked to other curriculum topics.

Year 6 students modelling the relative size of and distance between Earth and other planets in the solar system and the sun with ICT.

Year 5 students identifying the planets of the solar system.

Year 3 students learning to describe the Luna phases.

This week 4M really enjoyed working on the topic

SYMMETRY

I decorated my monster with lots of glitter. Other people used sequins. ALAANA

I made a mirror image using different shaped wooden blocks. ELENI

I made a really hilarious name monster. The activity was really cool. KING

Our houses are reflected in the water. HIRUKA

I made a name monster and I think mine looks glorious. ANIDHYA

My class made a name monster. My monster had two faces. I think it's really cool. TRISHA

Our neighbourhood looks real. CHLOE

I liked drawing my house plan. ZAC

I liked doing the symmetry work on Essential Assessment. ANDY

BOOK FAIR

Thank you to all of the parents and children who supported our book fair during Education Week by volunteering or buying a book. The money we have raised will go towards purchasing new books for the library.

Congratulations to our Drawing / Colouring Competition winners!

Year 6: Huang, Anneliese. Year 5: Alyssia, Alyssa. Year 4 Hruthi, Andy.

Year 3: Addison, Tina. Year 2: Tenara, Nabiha. Year 1: Hayley, Kanishka.

FB: Senan, Avani. FM:Kiaan, Vienna. FMS: Stephen, Brayden. FR: Sonia, Dora. FS: Minh, Senthan.

Come along and try scouting at
1ST BENNETTSWOOD SCOUT GROUP

WE'RE RECRUITING BOYS & GIRLS TO OUR
JOEYS, CUBS & SCOUTS GROUPS

JOEYS - 5 TO 7 YEARS OLD

What is GATEWAYS?

G.A.T.E.WAYS runs a range of programs which parents of gifted and highly able children can enrol in directly. These programs include: Brainwaves Club, Holiday Club, Festivals and Leadership.

Why GATEWAYS?

G.A.T.E.WAYS aims to cater for children who are in the highly able to gifted range. This approximates the top 10 – 15% of children in the classroom. Programs are delivered at a faster pace than in the regular classroom, and are pitched around two years ahead of chronological age.

What does Burwood East Primary School offer?

At Burwood East, GATEWAYS offers two programs that run through the school terms.

When attending a day-long Eureka program, children participate in three hands-on workshops based on a theme. Each term the theme changes to focus on a different curriculum area. Previous themes have included '*Curious Science*,' '*You Can Count On Maths*,' '*History Matters*,' '*What Nonsense*,' '*Secret Maths*,' and '*Grossology*.'

Journeys are extended programs for highly able children. They attend once a week for four half days and explore a topic in depth. Subject matter is wide-ranging and is often in areas not always taught in the primary school curriculum. Participants as young as six can become detectives solving hypothetical mysteries, work as archaeologists on a 'dig', explore the wonders of the universe, the mathematics of infinity, the world of the brothers Grimm or Gothic literature, or take part in a philosophical 'community of inquiry'. The possibilities are unlimited.

For more information, regarding dates and locations please see Angela Fattore.

Term 2

BOOK NOW

Monday April 16 – Sunday July 8

Your Child's Safety in and around water is our highest priority

Computer Programming Club

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting Computer Programming club running at the school.

The aim of the club is to provide students with exposure to the fundamentals of computer science concepts. Run by external consultants from Digimaker, this program will:

- Build games, animations, stories utilizing pupil's creative thinking
- Develop logical thinking and problem-solving skills
- Express ideas & boost confidence working in a collaborative environment
- Enable the grasp of computational thinking which combines math and logic

For details on the course, visit <http://www.digimaker.com.au/courses/>

The club will run for 7 to 10 weeks each term (depending on the length of the term) and is charged on a per-term basis. Students work on school laptop during the session.

Program for Term 2 is as follows:

Term 2 : Every Monday, 16th Apr to 25th Jun (10 weeks – 11th Jun Public Holiday)
 Time : 1:45pm – 2:30pm
 Room : Multimedia Space
 Grades : 3 to 6
 Fee : \$150

If you are interested in your child being considered for the programming club, please *fill the form online @ www.digimaker.com.au/contactus/ or at the bottom of this letter and return it to Office by Tuesday 27th Mar 2018. Digimaker will confirm your child's spot via email.

*Existing students need not fill the form

DEVELOPING POSITIVE FUTURES

Burwood East Primary School

Our programs aim to encourage a strong foundation on which to build a full and active life. Physical activity for children has been linked to positive self-esteem, skill development, skeletal and cardiovascular health, and general healthy development. All our qualified instructors encourage opportunities for cognitive, social and emotional development through and during movement activities within all our programs

To receive the Early Bird Discount, enter the code "Early Bird" to receive 10% off.

Offer ends 12th April 2018, 5pm

Basketball Stars

Basketball Program

- Positive and inclusive environment.
- Fundamental basketball skills
- Passing, dribbling, shooting, team play, offensive and defensive strategy.

Day: Wednesday

Time: 3:40-4:40pm

Start Date: 25th April

Finish Date: 13th June

Who: Prep-Grade 4

Cost: \$95

Soccer Stars

Soccer Program

- Introductory soccer skills
- Passing, shooting, heading, ball control, running with the ball and turning.
- Principles of attack, defence, passing play, 2-1 situations, crossing and finishing.

Day: Wednesday

Time: 3:40-4:40pm

Start Date: 25th April

Finish Date: 13th June

Who: Prep-Grade 4

Cost: \$95

Dance Stars

Dance Program

- Introduce children to the fundamentals of the dance
- Movement, space and energy.
- No Competitions, no uniforms
- Step to the beat in a number of sequences to learn a choreographed dance routine

Day: Friday

Time: Lunchtime

Start Date: 27th April

Finish Date: 15th June

Who: Prep-Grade 4

Cost: \$95

All our sports coaches are Australian Sports Commission Qualified (2 courses min)

All our dance instructors have Dance Teaching & Management Cert. IV Qualifications

Term 2, 2018. . .

Philosophy for Young Minds Burwood East Primary School

The unit entitled Philosophy for Young Minds is a new one for WiseOnes. Well known stories are presented to the students. Good judgement, environment ethics, sharing happiness and learning about empathy with others will be developed. During the 8 weeks of the unit, huge amounts of general knowledge and skills of the Circle of Inquiry discussion will be learned. An excellent unit for both girls and boys.

WiseOnes Application for 2nd Term 2018

This program is available for all Grade 1 - Grade 6 children who have qualified for WiseOnes.

The unit for second term commences week beginning Monday, 30th April, 2018.

The unit will run for 8 weeks commencing: Monday 30th April, 7th May, 14th May, 21st May, 28th May, 4th June, 11th June, 18th June and 25th June.

WiseOnes Teacher: Rowena Beaumont, mobile: 0417 388 847

✂

I wish to enrol my child in the unit "Philosophy for Young Minds" starting week beginning Monday, 30th April, 2018.

Child's Name _____ School: Burwood East Primary

Date of Birth _____ Class (2018) _____

Parents' Names _____

Address _____

Phone: BH _____ AH _____ Mobile _____ Email _____

My child has already qualified for WiseOnes YES/NO

I would like a free test for my child YES/NO.

I would like my child to be tested with a fuller assessment to qualify for WiseOnes (assessment cost \$300 inc GST).

Please send this slip and payment of \$246 .00 by Tuesday, 24th April, 2018.

As we are a non-credit business, children will not be accepted into the program for the term unless the fees and enrolment form are returned by the above date.

If paying by cheque please make it payable Burwood East Primary School.

Compass School Manager

At Burwood East Primary School, teachers and parents make use of the Compass School Management System. Families can access Compass through a web browser or App from the iTunes App store or Google Play store.

Website: <https://burwoodeastps-vic.compass.education/>

iTunes: <https://itunes.apple.com/au/app/compass-school-manahger/>

Google Play: <https://play.google.com/store/apps/details?id=com.jdlf.compass>

Working with Children Check

It is a requirement for all Volunteers, Parent Helpers, Contractors and Service Providers to hold a current Working with Children Check and a copy supplied to the school.

Please go to website listed below to apply for your Working with Children Check.

<http://www.workingwithchildren.vic.gov.au>

HAVE A GREAT HOLIDAY AND DONATE TO **BURWOOD EAST PRIMARY** AT THE SAME TIME.

For every Holiday that you, your Grandparents or even your Friends book through our store, we will give a percentage back to your school as fundraising, to say thank you for booking through us. For example 1 Europe River cruise for 2 booked through our store = est. \$200 for your school. The more you have booked the more funds you will have. It's that simple! Just remember to mention your school when booking.

PSW
QUALITY IN EVERY STITCH

Dear Parents,

Welcome · It's an exciting chapter in your child's life! We provide our delicious lunch order service to the families at your school.

Our Food + Menu

- Fresh, delicious and nutritious 3-course hot or cold set Meal Deal
- Your child can choose the food they love and create their own Super Saver Meal Deal
- Food is made in our kitchen by our school lunch catering team – passionate + extensively trained staff
- You choose how much you spend – \$2.50 to \$15.00 and everything in between
- There is no minimum spend
- It's very easy, convenient and flexible

What you need to do:

You will need to set up your account using our online service. This must be done before you can order your child's lunch. We use FlexiSchools. Follow these steps to set up your account:

1. Go to www.misspeppercorn.com.au/school
2. Click on "Click here to register" to create your account
3. Top-up your balance
4. Start ordering

What payment methods can I use?

FlexiSchools accepts payment via Visa, Mastercard, Paypal and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click 'Top up Account' when logged into the FlexiSchools website and select 'Bank Transfer'; you will be given your unique EFT code. You can then make a transfer via your bank's internet facility or at your branch (FlexiSchools charge a fee of 29 c to process each order)

We look forward to meeting + providing your children with their

lunch when we are at your school. From the team at Miss Peppercorn

What you need to know:

Each time you order you can select our 'allergy alert' option which will print on your child's label and advise our kitchen of the relevant allergy

You can log into the website at any time to place orders, up until 9.00am on the day of the order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum.

Cancellations are only possible until 9.30am on the day, after this time your child's order will be processed. Please call us on 9877 5183 to cancel an order – please do not email us.

If we make a mistake and are notified within 24 hours, we will refund your child's entire lunch.

At lunch time, we take the orders to your school and collate them ready for collection.

If you have any problems or would like assistance please call: Flexi Schools
