Dear Members of the Burwood East Primary School Community,

As term three quickly draws to a close, I would like to take this opportunity to once again thank all members of our school community for another fantastic term at Burwood East Primary School. ***Please note that Term 3 concludes on Friday 22nd September with students being dismissed at 2:30pm.***

**Term 4** will resume on **Monday 9th October**. This term promises to be very busy with lots of exciting events taking place: Year 5/6 camp ,Year 3/4 Camp, Year 2 Sleepover , Life Ed Van, summer sport, Transition for children starting in Foundation in 2018 and finally Graduation for our Year 6 students moving on to Secondary College.

Congratulations to all our students who showcased their skills and talents in our school production 'This is Planet Earth'. We certainly had a breadth of acts in various forms of Performing Arts. The students are to be commended on their efforts, some are seasoned, confident performers and others were quite nervous, putting themselves into a risk taking situation quite out of their comfort zone. The night was a big success and recruited a great deal of positive feedback from our community.

Congratulations to our three Athletics Achievement Award winners: Elyann Jacob,Nathan Djie and Johnathan Robotis-Gashe for their outstanding performance in Athletics this academic year. Keep up all the great work you are putting in to your Athletics learning tasks at home.

#### **Mathletics Tri Nations 2017**

Congratulations to Elyaan Jacobs who placed 2<sup>nd</sup> in the 2017 Mathletics Tri-Nations for her age group. Elyaan scored 45527 points during the week long competition. Elyann beat out tens of thousands of other students from across Australia, New Zealand and South Africa.A truly outstanding effort!

#### **Cross Country**

Congratulations to Harvey Leetham who finished first in the under 6 Nunawading Cross Country Championships last week. Harvey ran 800 metres and beat 23 other participants. A super effort Harvey!

At the end of the term we will say farewell to our Mandarin teacher Echo Huang who has decided to pursue other personal interests outside of teaching. I would like to acknowledge the wonderful contribution she has made to BEPS over the past year and wish her all the best with her future endeavours. The Mandarin position will be filled by April White in Term 4. April is an experienced Mandarin teacher who current works at Whittlesea Primary School.

Our sister school ZhongShan Road Primary School will host five students and two teachers from Burwood East Primary School over the next 14 days continuing the relationship between the two schools. This is the first time we have taken a group of students to China so you can just imagine the excitement as our students spend time in school, tour local sights, and take on a range of educational trips to , The Temple of Heaven, Tian'anmen Square, the Forbidden City, Beijing Hutong, The Great Wall, and the Olympic Stadium . We look forward to hearing from the students and teachers in Term 4.

**Yours in Partnership,**

**Darren McDonald**

## Principal Learning Awards

### CELEBRATING OUR CHILDREN'S ACHIEVEMENTS

As Principal, I believe that it is very important that I acknowledge the wonderful work that our students do in all areas of the curriculum, therefore students are encouraged to visit me in my office (classroom) to showcase their achievements.

Tina for reaching reading level 30 and becoming a fluent reader. Amelia for being a good friend to Tina.

Elyann and Emily for their excellent reading.

Milly and Abby for doing well in their tennis grand final.

Ella and Gina for being experts at the maths game 24.

## Birthdays Congratulations to:

Eric, Ruqayah, Emily, Joyce, Gau, Alison, Eleni, Riley, Martin, Ilisa

Children who have a birthday that falls during the week may wear free dress for that day and for those children whose birthday falls on the weekend they can wear free dress on the Monday

## Parliament House Excursion

On Friday 8 September, the Year 5 and 6 classes went into the city to have a tour of Parliament House. The adventure also included us travelling in and out of the city by tram, and a tour around the city via the City Circle Tram. Our students have been learning about our Government and way of life, as part of the topic 'Where we live, affects how we live.'

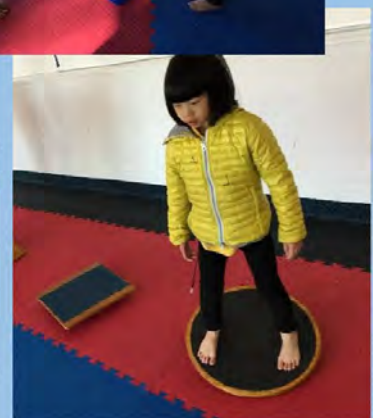

Neil Angus, our State Member of Parliament, met us in Parliament House and helped to show us around. We were lucky enough to see the Red House (Legislative Council) sitting in Parliament when we were there.

## PMP in Foundation M

Throughout Terms 2 and 3, all Foundation students have participated in PMP based activities as part of their weekly Sport program. Some of the skills developed include gross motor and fine motor skills, balance, visual and spatial skills, memory and listening.

## **SPORTING SUPERSTARS**

Congratulations to Alyssia who won her Basketball grand final on Monday afternoon! Alyssia plays for the E-Bees in the under 10s.

Congratulations to Milly and Abby who came runners up in their tennis finals last Sunday! Milly and Abby play for Tally Ho and are in the D5 section.

'This is Planet Earth'

After a fabulous night at our musical production,  $1/2M$  reflected on their performance:

It was the best concert I've ever seen. Pantelina

I really liked being on stage singing 'Habitat'. Emily

I really enjoyed the concert. I loved listening to the music and performing in the songs and dances. Amelia

I liked when we all sang 'What a Wonderful World'. Sam

I really liked the zombies. Lowell

I liked the concert because of all the different songs. Vidun

The concert was a big hit overall. I loved it. Tina

I liked the concert because it was so much fun. Simon

The stage was huge. Seth

I had a bit of stage fright but I got through it. Sean

At the concert I loved dancing and singing. Romina

I liked the song 'A Love Song to the Earth'. Elyann

All the acts were really good. Christina

I liked it, Bruce

I liked watching other people doing their acts. Gideon

I never knew that a concert would be so cool. Arnav

I think the concert was amazing. My family thought it was fantastic. Matthew

## **Junior School Council Term 3 Report.**

Over the course of Term 3 the JSC has accomplished a lot of things. We have organised the Sea Shepherd visit, sold the daffodil merchandise for cancer, sold popcorn each week with the funds going towards Jude and the other things that we aim to do.

We also meet up every week on Wednesdays to discuss everything that we put together. We have also raised enough money to provide all the Foundation Students for next year with their own book.

We have also organised a new compost and recycling program this term. We are getting two more recycling bins for our school.

We have encouraged the school to follow our school values with our weekly values awards at assembly. Also, we want to thank the parents and the community for their support especially with our Earn and Learn project. We are also selling Zooper Doopers for 50c every Wednesday instead of popcorn starting from next term. We look forward to next term and seeing what we can bring to this school.

By: Andrea and Nevin – JSC.

## Get ready, get set for Walk to School 2017!

Burwood East Primary School will join hundreds of primary schools across Victoria for a fun month of walking, riding and scooting to and from school. By participating, we have a chance to win some great prizes! So every time our local families walk, ride or scoot to and from school during October, you increase our school's chance of winning!

In 2017, we're encouraging our kids to put their best foot forward by decorating their shoes, bikes or scooters to make Walk to School even more fun. Get involved with us for Walk to School and help your family build healthy habits for life: [walktoschool.vic.gov.au](http://walktoschool.vic.gov.au).

### About Walk to School

Every October, VicHealth's Walk to School encourages Victorian primary school kids and their families to walk, ride or scoot to and from school every day. It's a great way for the whole family to increase their physical activity levels. Plus, it is a chance to enjoy more time with your kids and meet other local families along the way.

Along with the health benefits, it also reduces traffic congestion, saves on parking, helps us connect with family and friends and saves the environment! Part way is okay! If you can't walk the whole way, why not try parking the car a few blocks from your school and walk, ride or scoot the rest.

Last year, more than 144,000 kids and their families took part in the program walking the equivalent of two return trips to the moon and with your families help, we can make 2017 our biggest year yet!

There are so many great reasons to participate in Walk to School this October and we're excited to be part of the fun because getting active is even more fun when we do it together!

Visit [www.walktoschool.vic.gov.au](http://www.walktoschool.vic.gov.au) for more information.

## **The Running Club**

### **When is it?**

Thursday's at 8:20 am (Blue Asphalt Court/Oval – Term 4)

### **Who encourages running?**

**Angela Fattore**

### **Who can do it?**

**Students in Years 3-6**

### **Why should I join?**

Running improves aerobic conditioning on and off the field. Running supports core and back strength both important for daily activities.

### **How do I sign up?**

Come and see Angela Fattore (Room 54)

## **SCHOOL BREAKFAST CLUBS**

A Victorian Government Initiative  
in partnership with Foodbank

  
**We  
Need  
Your  
Help  
Please**

The School Breakfast Club runs every Friday morning offering a chance for the school to come together as a community. To enable this program to run smoothly please think about helping out. There is a roster at the office— you can volunteer once a Term or once a month or every fortnight or weekly. Many hands make light work...

What is GATEWAYS?

G.A.T.E.WAYS runs a range of programs which parents of gifted and highly able children can enrol in directly. These programs include: Brainwaves Club, Holiday Club, Festivals and Leadership.

Why GATEWAYS?

G.A.T.E.WAYS aims to cater for children who are in the highly able to gifted range. This approximates the top 10 – 15% of children in the classroom. Programs are delivered at a faster pace than in the regular classroom, and are pitched around two years ahead of chronological age.

What does Burwood East Primary School offer?

At Burwood East, GATEWAYS offers two programs that run through the school terms.

When attending a day-long Eureka program, children participate in three hands-on workshops based on a theme. Each term the theme changes to focus on a different curriculum area. Previous themes have included '*Curious Science*,' '*You Can Count On Maths*,' '*History Matters*,' '*What Nonsense*,' '*Secret Maths*,' and '*Grossology*.'

Journeys are extended programs for highly able children. They attend once a week for four half days and explore a topic in depth. Subject matter is wide-ranging and is often in areas not always taught in the primary school curriculum. Participants as young as six can become detectives solving hypothetical mysteries, work as archaeologists on a 'dig', explore the wonders of the universe, the mathematics of infinity, the world of the brothers Grimm or Gothic literature, or take part in a philosophical 'community of inquiry'. The possibilities are unlimited.

For more information, please see Angela Fattore.

### Computer Programming Club

In a world where technology touches every aspect of our lives, it is crucial that our children understand how it works. To accomplish this objective, there is an exciting club to teach **Computer Programming** running at the school. Aim of the club is to provide students with exposure to the fundamentals of computer science concepts.

In this program students will

- build games, animations, stories utilizing their creative thinking
- develop logical thinking and problem-solving skills
- express ideas & boost their confidence working in a collaborative environment
- get a grasp of computational thinking which combines math and logic

#### What you need to know:

Each time you order you can select our 'allergy alert' option which will print on your child's label and advise our kitchen of the relevant allergy

You can log into the website at any time to place orders, up until 9.00am on the day of the order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum.

Cancellations are only possible until 9.30am on the day, after this time your child's order will be processed. Please call us on 9877 5183 to cancel an order – please do not email us.

If we make a mistake and are notified within 24 hours, we will refund your child's entire lunch.

At lunch time, we take the orders to your school and collate them ready for collection.
