BUILDING SUSTAINABLE FUTURES

At Burwood East Primary School we aim to provide every student with the opportunity to acquire knowledge, values, attitudes and skills to protect and improve the environment. Our enhanced garden space has created an increased diversity in our school grounds allowing for the design of a wider range of learning experiences and the creation of a Learnscape environment. Learnsapes are places where a learning program has been designed to permit students to interact with the environment. This connection with the environment through the cultivation of fruit and vegetables, understanding seasonality of crops and the importance of composting creates new patterns of behavior in the students towards the environment. Our chickens which are part of this area provide an opportunity for the school community to make a difference in the world by utilization of the income raised from the sale of eggs going towards supporting our World Vision Sponsor Child.

Thankyou to the Frasers Property Group for their support of our sustainability program and the many parents who came to help in the rejuvenation of garden Learnscape.

Ph: 9802 8618 Email : burwood.east.ps@edumail.vic.gov.au

Website: <http://www.burwoodeastps.vic.edu.au/>

Dear Members of the Burwood East Primary School Community,

Term 3, from the viewpoint of Principals, is always a challenge as we have to have our head in the here and now, as well as the following year. As difficult as it seems, planning for 2018 is already well underway. We are already working on staff and curriculum structures, what the special events might be and what is needed to continually improve student learning. To support me as I work through this process, I would appreciate it if families could inform me of any student movement as soon as possible. Of course, we know our Year 6 students will be moving onto secondary school. Our 'expected' enrolments inform the school's 2018 budget and staffing, so therefore we prefer to be as accurate as possible. Please contact our office ASAP if you expect your family to be saying farewell to BEPS this year.

This term, I 've been impressed by the effort that our students have put into their learning. Whilst I keep a close eye on academic outcomes, I also look very carefully at each student's effort and attitude. To me these are the most important indicators of future success and being able to fulfil potential. I 'm always interested in a students' ability to reflect on their learning in the classroom and their ability to articulate the what and why of a learning task.

This part of the learning cycle, which is known as metacognition, is critically important. Effective learning involves planning and goal setting, monitoring ones progress and adapting as needed. By supporting our students to develop these skills (which can all be learnt) we can improve learning.

The key in all of this is to remember that a student's ability to become a self-regulated (i.e. metacognitive) learner is understanding that one's ability to learn is a skill that develops over time rather than a fixed trait, inherited at birth. Students who believe that the ability to learn can improve over time have greater levels of achievement, even after controlling for prior achievement (Henderson and Dweck, 1990). These students set reasonable learning goals for themselves and have the self-efficacy to choose and use productive learning strategies. These strategies then result in learning gains. Moreover, students can be taught that their ability to learn can improve over time; those who learn this simple lesson show increased motivation to learn and improved grades (Aronson et al., 2002; Blackwell et al., 2007).

Parent Issues

On occasion parents like to 'take matters into their own hands' and speak with other parents or other children about accidents or things that happen at school. Please note that we do not permit parents to question / talk with /reprimand students, other than their own, without specific permission (from the other parent) to do so. If parents require information regarding an incident at school they should, in the first instance, speak with the relevant teacher and then, if needed, with the school leadership. It is much easier for us to investigate incidents and contact the people concerned and also less of an emotional encounter.

BEPS Effective Communication Channels

- Student query/issue= Contact the classroom teacher
- School wide query/issue = Contact Darren or Sue
- Financial - Administration query /issue = Contact Wendy or Vikki at the office.

The Leader In Me

At Burwood East Primary School we continue to implement The Leader in Me program. Students are taught leadership skills to assist with their social and emotional development and interactions with others. Our aim is to facilitate a culture of student voice, based on the idea that every child can be a leader of their own life. Students develop skills, such as Leadership, Responsibility, Problem Solving, Communication and Team-work.

The Leader in Me initiative is based on Stephen Covey's 7 Habits of Highly Effective People. This term we are working on:

Habit 3

Put First Things First

Work First, Then Play

I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan. I am disciplined and organized.

Parents we would like to let you know about the **FlexiBuzz** App that the school uses to communicate to the community. All you need to do is choose our school and then select to the boxes, which are relevant to you.

2017 PARENT OPINION SURVEY

Online links have been sent to 30% of our families for the 2017 Parent Opinion Survey. The feedback from these surveys is important to the school in tracking our performance and improvement. We do appreciate your time and assistance in completing the survey.

Before School Supervision

I would like to remind parents that the school yard is not formally supervised until 8.45AM each morning. There are children who arrive at school as early as 8.00AM – this causes us huge concern because school grounds are not only very cold and dank on these wintry mornings, but VERY lonely which places the children in an unsafe situation. If for any reason your child needs arrive early to school, Out of School Hours is able to service your needs. Please give 1300 105 343 or the office a call.

Emergency details

It is the parents' responsibility to ensure your emergency details are updated regularly.

Bike safety

Students are reminded to walk their bikes and scooters on school grounds. While on pathways all students must look out for pedestrians and keep a good distance between themselves and other children.

Dogs on the school grounds

Could parents please refrain from bringing their dogs onto the school grounds, as per School Council regulations. Any dog on school grounds must have obtained special permission from the Council or the principal.

At BEPS Every day counts – school attendance

Daily school attendance is important for all children and young people to succeed in education and to ensure they don't fall behind both socially and developmentally.

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

Missing school can have a major impact on a child's future – a student missing one day a fortnight will miss four full weeks by the end of the year. By Year 10 they'll have missed more than a year of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

I would like to congratulate these students and their families for 100% attendance in Semester 1.

Car Parking @ BEPS

With over 300 staff and students in our school community the start and end of our school days are very busy times, with cars, bicycles and pedestrians sharing our space. In order to ensure student safety and respect for our neighbours we ask that you refrain from the following actions at drop off and pick up times.

Entering the staff and front of school carpark

These carpark are strictly for *staff use only and visitors during the day*. It is extremely dangerous to have students walking through the car park spaces. The safest option for collecting your child/ren is to park on the street and walk into the school via designated walk paths.

There is a Drop Off Zone near the hall

Means no parking at all.

The purpose of opening this area was to allow parents to drop off their child/ren in the school grounds so that they can walk to the classroom independently. Parking in this area is not allowed.

Parking at the Hall

There is approximately 7 car parking spaces at the hall.

Please follow the enter and exit signs and park considerately. This is your child's community, so be patient and respectful.

This is a 5 minute parking zone

Doing U-Turns in front of the school

This is illegal and highly dangerous to our students who are walking and riding bicycles.

Crossing with the Crossing Supervisor

Please ensure you ALWAYS cross at the crossing with our Crossing Supervisor, even if you are not with your child. The extra few steps to do this teaches our children to follow the road rules and is for everyone's safety.

Parking over Neighbour's Driveways

We have built strong community relationships with our neighbours and need to respect their rights to access their driveways at all times.

Yours in Partnership,

Darren McDonald

Principal Learning Award Term 2 Lunch

It is with great pleasure that I get to enjoy the company of the recipients of the Term 2 Principal Learning Award and Lions Club Award Learning Achievement Award. Our Pizza lunch together is a celebration of the students achievements in Term 2.

Congratulations to : Aidan, Ethan, Eliott, Isabellah, Sara, Isabel, Olivia, Hruthi, Jake, Teresa, Anneliese, Layla, Anna, Frieda, Liana, Noah and Nicholas.

Principal Learning Awards

CELEBRATING OUR CHILDREN'S ACHIEVEMENTS

As Principal, I believe that it is very important that I acknowledge the wonderful work that our students do in all areas of the curriculum, therefore students are encouraged to visit me in my office (classroom) to showcase their achievements.

Gina and Elva for their word knowledge work on adverbs.

Prabashita, Serena, Yvonne, Josiah and Bella for their beautiful handwriting.

Stephanie and Gina for their inquiry investigation pamphlets,

Liana, Alyssia, Adam and Hayley for their tuning in work for Inquiry Investigations

"In Robotics you make a robot move." - Sean 1/2M

"I liked doing WeDo Robotics because you get to build different kinds of robots. I learnt how to build Milo the Science Rover." - Dinuki 1/2S

"I like WeDo Robotics because you get to work with a partner to build the robots out of Lego, and then make it move." - Tiana 1/2S

"I like WeDo Robotics because we get to make robots. It is fun when you get to make a code using the WeDo app so that the robot moves." - Isabellah 1/2M

Fun with WeDo Robotics!

During BEPS Communities our students from Foundation to Year 2 have been very excited to be a part of our new WeDo Robotics Program.

This hands on program enables students to learn by constructing their own Lego models and bringing them to life.

These are some of the reasons why our students love WeDo Robotics!

"It's so fun and it's interesting because you can build and create and test if it works, if it doesn't work it doesn't matter." - Maria Jose 1/2R

"It's fun to make up the Lego and control it." - Ines 1/2R

"I think WeDo Robotics is really enjoyable. It's really fun to do, and you learn lots of things." - Amelia 1/2M

"I liked making Milo the Science Rover because you had to follow the steps on the iPad to build the robot. I liked making it move." - Jett 1/2S

"Robotics is fun because you can create and imagine lots of stuff." Atarah 1/2R

Mathletics Tri-nations!!

This year, Burwood East Primary School will be participating in the Mathletics Tri-nations!

What is the Tri-Nations?

The Tri-Nations is a fun, FREE online maths competition contested by schools from Australia, New Zealand and South Africa. The competition runs for one week (14 August – 20 August), with the week prior being a Training period. Top schools and students will receive prizes.

How do I participate?

By earning points! Students can earn points by completing activities or via Live Mathletics.

1. Earning points in Mathletics Curriculum Activities

Students earn 10 points per correct answer, with a maximum of 300 points from any individual activity during the competition period.

2. Earning points in Live Mathletics

Students earn 1 point per correct answer, or 2 points if they have selected their bonus level.

Winners will be announced on the 23rd of August!

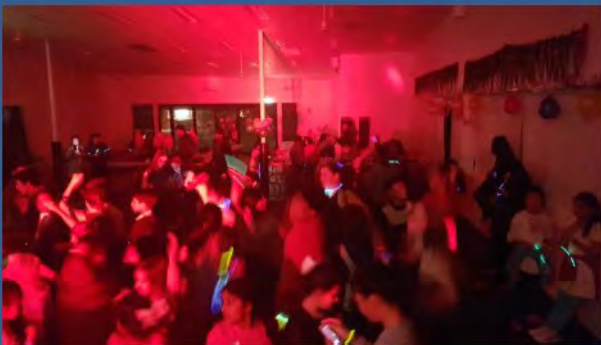

The Top 3 students in each Year level will be awarded Tri-Nations medals and a \$50 iTunes gift card.

Good luck and stay tuned!

Angela Fattore

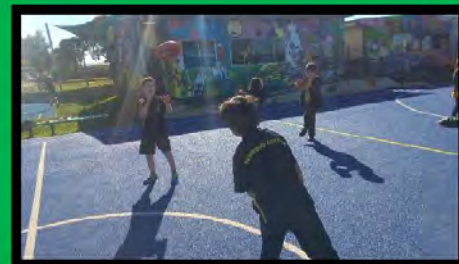

DISCO NIGHT 2017

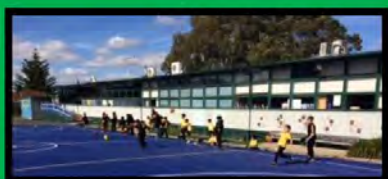

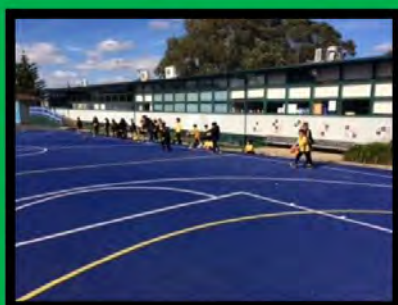

AFL Clinic with Sporting Schools

Our 1/2 students
loved participating in
our AFL clinic on
Wednesday.

They are excited to
have 3 more sessions
to practise learning
fundamental football
skills!

PROCEDURAL WRITING IN 1/2R

How to make play dough

Ingredients:

Plain flour
Salt
Oil
Food dye

Method:

Firstly, combine the flour, salt and oil together.
Then add a few drops of food dye.
Next, stir well.
Finally, check consistency.
Add more flour if needed.

We followed
a procedure
to make our
very own
play dough!

We have read, followed
and made a range of
procedural texts.

We have studied time
connectives, verbs and adverbs
to make our instructions clearer.

Celebrations at BEPS in August

Burwood East Primary School would like to acknowledge and pay respect to the families of our school that celebrate the following cultural festivities:

August 7

Raksha Bandhan- Hindu

Raksha Bandhan means bond of protection. This Hindu festival honours the love between brothers and sisters and is marked by the tying of a rakhi thread by the sister on the wrist of her brother.

August 9

International Day of the World's Indigenous People

This day is observed to promote and protect the rights of the world's Indigenous population. It recognises the achievements and contributions that Indigenous people make to improve the world.

August 10

National Day- Ecuador

On this day, Ecuador commemorates the journey to self-government with parades and exhibitions across the country.

August 15

Independence Day-India and Krishna Janmashtami – Hindu

Independence Day is annually observed on 15 August as a national holiday in India commemorating the nation's independence from the United Kingdom.

The Krishna Janmashtami festival is an important festival that celebrates the birth of Lord Krishna, a Hindu deity, more than 5000 years ago.

August 31

National Day- Malaysia

Hari Kebangsaan (National Day), refers to the day when the Federation of Malaysia's independence from the British Empire was officially declared.

Burwood East Primary School Concert

'This is Planet Earth'

The theme for our concert is, 'This is Planet Earth', with each class delivering a story of how 'Mother Earth' is sick and that we need to make her better, through song, dance and script.

Due to our busy rehearsal schedule, BEPS Communities will not occur this term and will resume in Term 4.

The students have begun practising their items and are really excited about the coming weeks of wonderful rehearsal.

Date:- Thursday 14th September

Time:- 7.00pm

**Venue: Crossway Centre
Vision Drive
Burwood East 3151**

Cost: \$7.00 per ticket

Capacity: 1,000 people

Further information on purchasing the tickets will be available in a few weeks. Any children participating in the concert will not need a ticket, but **ALL** siblings will need a ticketed seat, unless they are small enough to sit on your knee.

Thank you for your support.

Martine Hyde

Sea Shepard Visit

Last Thursday Sea Shepard came to our school to inform us about their jobs and what Sea Shepard does. Sea Shepard is an organization run by volunteers. Sea Sheppard relies on donations to be able to operate. The visit was a huge success and was highly enjoyed. It was even better to see some of the children picking up rubbish at lunchtime as they were motivated by the Sea Shepard visit.

The poster is for the Spring Comp 2017, organized by Chadstone Redbacks Lacrosse. It features a blue border and a yellow background. At the top, there are two photographs: on the left, a group of players in red jerseys huddled together; on the right, a group of players in red jerseys celebrating with their arms raised. In the center, a circular logo for Chadstone Redbacks Lacrosse is displayed. The text is arranged in a playful, starburst-like layout. A large yellow starburst on the left contains the text 'SPRING COMP 2017 IS HERE'. To the right, a blue starburst contains the text 'Spring is Sprung', 'The grass is ris'', and 'I wonder where the LACROSSE is?'. Below this, a red starburst contains the text 'Percy Treyvaud Reserve', 'Chadstone Road', 'Malvern East', and 'Mel 69D3'. In the center, a green starburst contains the text 'It's at', 'CHADSTONE LACROSSE CLUB!', and 'Spring Comp 2017'. Below the starbursts, the text reads: 'Come and join us our 5 week Spring Competition', 'Thursday arvo's 24/8/17 - 21/9/17 from 5pm-6pm', '\$25 rego includes free T-shirt', 'Fun non-contact Lacrosse Competition for all ages (max 2 adults per team)', 'For more information: or check out our website: www.chadstonelacrosse.com', 'Please register via Facebook Event or on attached form and send to Email: secretary@chadstonelacrosse.com', and 'Or call 0438 332 592'. At the bottom, there is a photograph of several players in red jerseys running on a field. The Chadstone Redbacks Lacrosse logo is also visible in the bottom left corner of the bottom photograph.

Classes Conclude: 15th September	Who: Prep – Year 4

All Dance instructors are professionals and have Certificate in Dance Teaching and Management

ENROL ONLINE:**WWW.BIG5SPORTS.COM.AU**

Enquiries E: admin@big5sports.com.au P: 0422 043 853

Dear Parents,

Welcome – It's an exciting chapter in your child's life! We provide our delicious lunch order service to the families at your school.

Our Food + Menu

- Fresh, delicious and nutritious 3-course hot or cold set Meal Deal
- Your child can choose the food they love and create their own Super Saver Meal Deal
- Food is made in our kitchen by our school lunch catering team – passionate + extensively trained staff
- You choose how much you spend – \$2.50 to \$15.00 and everything in between
- There is no minimum spend
- It's very easy, convenient and flexible

What you need to do:

You will need to set up your account using our online service. This must be done before you can order your child's lunch. We use FlexiSchools. Follow these steps to set up your account:

1. Go to www.misspeppercorn.com.au/school
2. Click on "Click here to register" to create your account
3. Top-up your balance
4. Start ordering

What payment methods can I use?

FlexiSchools accepts payment via Visa, Mastercard, Paypal and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click 'Top up Account' when logged into the FlexiSchools website and select 'Bank Transfer'; you will be given your unique EFT code. You can then make a transfer via your bank's internet facility or at your branch (FlexiSchools charge a fee of 29 c to process each order)

We look forward to meeting + providing your children with their

lunch when we are at your school. From the team at Miss Peppercorn

What you need to know:

Each time you order you can select our 'allergy alert' option which will print on your child's label and advise our kitchen of the relevant allergy

You can log into the website at any time to place orders, up until 9.00am on the day of the order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a pre-set minimum.

Cancellations are only possible until 9.30am on the day, after this time your child's order will be processed. Please call us on 9877 5183 to cancel an order – please do not email us.

If we make a mistake and are notified within 24 hours, we will refund your child's entire lunch.

At lunch time, we take the orders to your school and collate them ready for collection.

If you have any problems or would like assistance please call: Flexi Schools

8am-5pm on 1300 361 769
